APPLICATION PROCESS

The recommended age for kindergarten students is five (5) years of age on or before Sept. 1.

Catholic students in our own parish will be given first consideration. Members of other parishes will be considered if space is available. Because we are a Catholic school and our purpose is to educate students in the Catholic faith, priority will be given to baptized Catholics. Applicants will be accepted based on readiness to enter our program, and will be determined by an entrance exam/interview, evaluation of applicant packet, and involvement in our parish.

Kindergarten readiness testing will take place on Thursday, February 9, 2017 from 8:30 am - 12:00 pm by appointment only. Please schedule an appointment through the school office (562) 597-0819. Please check in at the school office on the day of testing.

Testing for incoming grades (other than kindergarten) is scheduled according to teacher availability. All scheduling is coordinated through the school office; please call (562) 597-0819.

In order for your child to be eligible for a testing appointment, you MUST bring the following items:

1. A completed Application for each child applying to the school. Please print clearly using a ballpoint pen.
